BIO:

The Married Men are Seattle's only Roches cover band, and likely the only Roches cover band west of the Mississippi. Formed in the spring of 2019, the band came together to pay tribute to and celebrate the music of the Roche sisters, who wrote hundreds of songs and recorded tens of albums between 1976 and 2007. True to the band's original sound, the group forefronts female vocals with tight, complex harmonies, backed by killer keys, acoustic guitar and bass.

The members of The Married Men are: Sophia Arnall (vocals), Gedney Barclay (vocals, guitar, bass), Leah Crosby (vocals) and Jon Lanthier.

BOOKING:

Booking inquiries for The Married Men should be directed to themarriedmenmusic@gmail.com. We gladly play venues large and small, house parties, gallery openings, bars, fundraisers, and farmers markets. We're happy to roll out a rockin' set, and can also adapt to smaller, intimate venues with more acoustic-centered tunes, and are up for traveling just about anywhere in the Pacific Northwest or British Columbia.
